The "altered 302's" have not been released. Now that the case against General Flynn is finally and rightly dismissed those 302's are still needed, for the General's, hopefully, upcoming lawsuit.
And the entire "depth" of the swamp

And everyone in it needs to be known. (RR) If not it could start again. Please don't let the dirty players hide. There are many more people waiting for justice.

The Deep state is already accusing President Trump of obstruction of justice for interfering in the General Flynn case. Unbelievable arrogance and stupidity on display, pure evil. They are already claiminh that General Flynn entered a guilty plea, and we know it was because of

threats, they are saying he is guilty and the president ordered AG Barr to intervene. They want another investigation into this. Absolutely ridiculous,as big a waste as any of their investigations have been. Enough is enough.

I am indescribably happy for General Flynn, his family, Sydney Powell, and our country as a whole. We can only pray the Justice continues 🙏🙏🙏🙏🙏

2/ Netflix reportedly holds the right to keep renewing these shows, irrespective of Disney's preferences. Disney may be entering Netflix's territory with Disney+, but that didn't drive the cancellations. Netflix was making a rationale decision based on quality, cost, viewership

Voter fraud by mail-in ballot is rampant. The Deep State wants to make it mandatory so they control the vote. California as already stated they will send 20 million mail-in ballots out to people.

If you are forced, if you have no other way to vote except by mail-in ballot. Your vote is still important. Because they intend to cheat, because they intend to alter your vote. Take steps to ensure your vote is protected as much as possible.

Nearly everyone has a camera on their phone or access to
